INSTALLATION INSTRUCTIONS

MOUNTING ON WOOD:

1. Place template drawn on this package in desired position and mark hole locations on wall. Position item against marks on wall to double check the hole locations.
2. Remove mounting plates.
3. Position mounting plates on wall as specified by marks for hole locations. Make sure that mounting plates are level.
4. Drill holes and install mounting plates on wall using screws provided.
5. Install fixture on mounting plate by slipping the top notched portion of the item on the mounting plate first. Then let the bottom portion rest in place. Tighten set screw.

MOUNTING USING PLASTIC ANCHORS:

When mounting on hollow doors, tile or plaster, using plastic anchors will provide a more secure installation.

1. To use plastic anchors, mark hole locations using the template on this package, as explained in Steps 1, 2, and 3 above.
2. Drill 3/16" diameter holes. Carefully insert plastic anchors into holes. Proceed with installation following above instructions.
